01. Explore the GapStation homepage

[Español](#)

[GapStation public homepage](#)The public GapStation website presents wholesale business opportunities and lets you explore the platform before creating an account.

What you'll find

- **Home:** overview and main links.
- **How it works:** explains how a company creates an opportunity, GapStation reviews it, buyers make purchases, and the opportunity is completed.
- **Opportunities** or **Explore opportunities:** the public marketplace.
- **About GapStation:** information about the platform.
- **Sign in** and **Create account:** log in or register.
- **Language:** choose the website language.

Getting started as a buyer

1. Review the information and available opportunities.
2. Select **Create account** if you don't have a personal account yet.
3. If you already have an account, select **Sign in**.

Create opportunity is for publishing opportunities. It is a separate flow from browsing and buying as a customer.

After signing in

See the [Buyer's Guide \(currently in Spanish\)](#) for information about your dashboard, deposits, purchases, returns, and withdrawals.

02. Create a personal account

[Español](#)

[GapStation registration form](#) Create a personal account to access your buyer dashboard.

Step by step

1. On the homepage, select **Create account**.
2. Select **PERSONAL**. The **BUSINESS** option is for company registration.
3. Enter your first name, last name, email address, phone number, and country.
4. Enter and confirm your password. The form indicates it must be longer than 6 characters.
5. Read the terms and conditions and privacy policy. Check the boxes if you agree.
6. Select **CREATE ACCOUNT** and follow the instructions shown.

If you have trouble

Check all required fields and make sure both password entries match. If you already have an account, select **Sign in**.

03. Sign in to your account

[Español](#)

[GapStation sign-in form](#) Sign in to your account to view your purchases and account activity.

Step by step

1. On the GapStation homepage, select **Sign in**.
2. Enter the **Email Address** you used to register.
3. Enter your **Password**. You can use the visibility icon to check it.
4. Select **Sign in**. Personal accounts open the **Personal Dashboard**.

Can't sign in?

Check your email address and password. If you forgot your password, select **Forgot your password?** and follow the instructions. If you don't have an account yet, select **Create account**.

When you're done

Use **Sign out** in the side menu, especially on shared devices. Never share your password.
