

01. Explore the GapStation homepage

[Español](#)

[GapStation public homepage](#)The public GapStation website presents wholesale business opportunities and lets you explore the platform before creating an account.

What you'll find

- **Home:** overview and main links.
- **How it works:** explains how a company creates an opportunity, GapStation reviews it, buyers make purchases, and the opportunity is completed.
- **Opportunities** or **Explore opportunities:** the public marketplace.
- **About GapStation:** information about the platform.
- **Sign in** and **Create account:** log in or register.
- **Language:** choose the website language.

Getting started as a buyer

1. Review the information and available opportunities.
2. Select **Create account** if you don't have a personal account yet.
3. If you already have an account, select **Sign in**.

Create opportunity is for publishing opportunities. It is a separate flow from browsing and buying as a customer.

After signing in

See the [Buyer's Guide \(currently in Spanish\)](#) for information about your dashboard, deposits, purchases, returns, and withdrawals.
